## EXCITING SUMMER ACTIVITIES!

Our favorite time of the year is here and we have lots to look forward to! The summer of 2007 has great things in store for our campers! Along with our weekly hayride and marshmallow roast on Saturday night, we also have several special events planned for July, August, and Labor Day weekends. With DJ dance parties, Tim the Juggler and Christmas in July, the campground has lots of fun

Our Olympic size pool will be open every day and our ice cream corner has many tasty treats to offer. Our café is open for breakfast and lunch on Saturdays and Sundays and we're always cooking up something good to eat. Menus available in the office or café!

## HAPPY INDEPENDENCE DAY!

As we celebrate the anniversary of our independence, Cedar Creek asks that you keep safety in mind during all Fourth of July festivities.

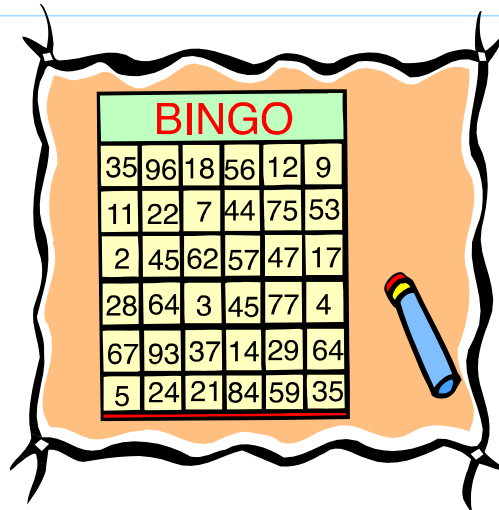

We'd like to remind our guests that fireworks are not permitted on our property and are illegal in the State of New Jersey. Stop in the office for

a list of fireworks displays in the area!

**SATURDAY NIGHT FUN!****FAMILY BINGO IN THE GAME ROOM!**

Family Bingo is the newest craze at Cedar Creek Campground! Bingo will take place in the game room every Saturday night after the hayride around 7:30ish. We will play many different rounds, making it an exciting hour of Bingo Fun! Perhaps an outside circle or a cross through the middle will make you our next winner!

So come on down and take the Bingo challenge. All you need to bring for Family Bingo is yourself! Come join the fun!

Barnegat Lighthouse is located just 18 miles from the campground on Long Beach Island. After climbing the Lighthouse's 217 steps, you can find a stunning view of the Barnegat Bay and the Atlantic Ocean.

Surrounding the lighthouse is Barnegat Light State Park, a beautiful area to take the family for a stroll! There is also a manmade jetty that you

can walk along the inlet! Other attractions on Long Beach Island include the Barnegat Light Museum and Fantasy Island Amusement Park. If you don't know how to get there, stop in the office and ask for directions to LBI! We carry the FREE Sand Paper weekly issue about the LBI happenings. Pick up your copy at the camp store.

\*Never pitch your tent on the downward side of a slope

\*Always use a ground cover (a tarp works great) to prevent condensation

\*Always use an overhead rain cover to protect your tent and stay dry

\*Keep your tent closed at all times

\*Leave a window flap open for air circulation

**TIPS FOR TENTERS!**

\*Don't keep food in the tent, as this may attract woodland critters

\*Don't forget your stakes and extra rope

Have fun and happy tenting!
